STAT MEMORANDUM FOR: [redacted]

SUBJECT : MAGID Contribution to DDI Survey

1. In response to the 31 March meeting with you at which we discussed the forthcoming DDI attitudinal survey, MAGID members drew up the attached list of pertinent questions and comments. They are by no means all-inclusive. The questions are divided roughly into the seven following categories, some of which may overlap to a degree:

1. Attitudes toward "The System"
2. Job satisfaction and career development
3. Agency organization
4. Supervision
5. Communications
6. Production
7. Environment

2. Please note that the attached questions are meant to indicate areas of concern for DDI employees and are not necessarily meant to suggest any specific phrasing, style, grouping, or order; that is best left to you and your staff. Of course, we would want to review the questions after you formally draw them up. If you have any questions or comments, please contact [redacted] STAT
